Q.11 Read the paragraph carefully and answer the questions given below.

Once upon a time, three birds lived together on a tree. Their names were Coco, Pihu and Sonu. They built a small house with wooden sticks, grass and leaves. Coco was the youngest of the three and Sonu was the eldest. One day, Coco went out to buy berris from the jungle market but he forgot to take a carry bag with him. Pihu and Sonu thought that they should go after Coco with a carry bag otherwise he will have to bring the things in a polythene bag. Both knew how harmful polythene is for the environment and all animals. So, they flew with carry bags and met Coco in the market. All of them bought groceries, clothes and other things for their home and come back.

(i) Where did the three friends live? 1
(ii) What did they build their house with? 1
(iii) What do we build our houses with? 2
(iv) What did the three friends buy from the jungle market? 2
(v) What do you buy when you go to market? 2
